

Invitation to attend

Gestational Diabetes and the Management of Diabetes in Pregnancy

For General Practitioners especially those involved in Obstetric Shared Care

Dates: Wednesday 4th August 2010

Time: 6.30pm – 9.00pm
Light dinner will be served upon arrival

Venue: GP partners Adelaide
120 Hutt Street, Adelaide, SA 5000

The session aims to enable participants to:

1. Increase skills in the diagnosing of gestational diabetes
2. Review knowledge of the current monitoring and blood glucose targets required for optimal management of gestational diabetes
3. Review best practice guidelines of the management of diabetes in pregnancy including insulin pump therapy
4. Increase knowledge in the referral pathways that are appropriate for a person with gestational diabetes or diabetes during pregnancy

Speaker:

Dr Elaine Pretorius, Endocrinologist and General Physician is the Medical Head of Diabetes Services, Division of Medicine at the Lyell McEwin Hospital.

Proudly supported by:

Because health matters
