Managing Clinical Emergencies in General Practice

For General Practitioners and Practice Staff

Date: Tuesday 7th September 2010

Time: 6.30pm – 9.00pm
Light dinner will be served upon arrival

Venue: GP partners Adelaide
120 Hutt Street, Adelaide, SA 5000

Presented by Dr Hugh Grantham this session is designed to update your knowledge in the management of clinical emergency situations within general practice. The session will include a visit by an Ambulance and Paramedics providing an opportunity for insight into paramedical care and response in clinical emergencies.

The activity aims to enable participants to:
• Refresh knowledge of existing emergency skills
• Update knowledge of first line emergency drug therapy
• Discuss practice protocols for the management of clinical emergencies to enhance patient safety.

Speaker: Dr Hugh Grantham

Dr Grantham has been Medical Director of South Australia Ambulance Service (SAAS) for over twelve years, and he has contributed in advancing the role of paramedics through education, medical/clinical leadership and management. He is also Director of the Ambulance Education Unit of SAAS. He holds an academic appointment within the Anaesthesia and Intensive Care Unit of the Faculty of Medicine at Flinders University. Hugh teaches in a broad range of prehospital areas, including Early Management of Severe Trauma (EMST) and Advanced Paediatric Life Support. In January 2005, Hugh led one of Australia’s first medical response teams in Banda Aceh, immediately following the tsunami.
